

ПОЗДРАВЛЯЕМ С НАГРАДОЙ

*Р.И. Сепиашвили и Stanley Fineman,
президент АСААИ, на церемонии
вручения награды 10 ноября 2012 года в Лос-Анджелесе*

Поздравляем **РЕВАЗА ИСМАИЛОВИЧА СЕПИАШВИЛИ**, академика Национальной академии наук Грузии, президента Союза физиологических обществ стран СНГ, президента Всемирной организации по иммунопатологии и Союза аллергологов и иммунологов СНГ, директора Института иммунофизиологии, заведующего кафедрой аллергологии и иммунологии РУДН и директора Национального института аллергологии, астмы и клинической иммунологии Национальной академии наук Грузии, главного редактора научных журналов *Аллергология и иммунология*, *Астма*, *Вестник Союза физиологических обществ стран СНГ*, *International Journal on Immunorehabilitation*, *Journal of the World Allergy Organization – Russian Edition*, с присуждением высшей и самой престижной награды одной из ведущих международных научных организаций Американского колледжа по аллергии, астме и иммунологии (American College of Allergy, Asthma & Immunology) – **INTERNATIONAL DISTINGUISHED FELLOW AWARD**.

В официальном письме, подписанном профессором Stanley Fineman, президентом Американского колледжа по аллергии, астме и иммунологии, говорится, что кандидатура Р.И. Сепиашвили была выбрана в результате тайного голосования среди девяти выдающихся ученых мира в знак признания его вклада в науку в мире и в своей стране. За всю историю это первый случай, когда такой высокой и очень почетной награды удостоен отечественный ученый.

Церемония вручения награды состоялась в ноябре 2012 года в Лос-Анджелесе – Анахайме (Калифорния), во время проведения ежегодного конгресса Американского колледжа по аллергии, астме и иммунологии.

Эта награда заняла достойное место

среди других наград академика Р.И. Сепиашвили, почетного профессора восьми медицинских университетов (Краснодарского, Новосибирского, Ростовского, Тюменского, Алмаатинского, Тбилисского, Батумского, Кишиневского) и почетного члена Американской академии аллергологии, астмы и иммунологии (AAAAI), Американского колледжа по аллергии, астме и иммунологии (АСААИ) и Американского колледжа торакальных врачей (АССР).

Многолетний подвижнический труд Ревaza Исмаиловича, его многогранная деятельность как крупного ученого в области аллергологии, иммунологии и иммунофизиологии, выдающегося организатора науки, педагога, высокий авторитет, замечательные личные качества, доброта и радушие послужили теми решающими аргументами, которые предопределили решение американских коллег.

Dear Professor Revaz Sepiashvili,

We are pleased to report that you have been selected between nine nominated famous world scientists to receive the 2012 International Distinguished Fellow Award of the American College of Allergy, Asthma & Immunology in recognition of your valuable contribution to the field, in the world and particularly in your country. This high award is given to you for outstanding achievements to science as a sign of special recognition. You were nominated for this honor by the ACAAI International Committee.

We would like you to receive your Award in person during the American College's Annual Meeting, November 8-13, 2012, in Anaheim, California. The award will be presented at the President's Welcome Reception and Awards Ceremony, Saturday, Nov. 10, 7:30-9:00 p.m.

ACAAI will waive your meeting registration fee and reimburse your round trip airfare (business class) and room at the Anaheim Hilton Hotel for 4 nights.

Jo Ann Faber, ACAAI Director of Public Relations, will contact you for a photo and provide a proof of the articles in *ACAAI News* and the Awards program. You also will need to complete and return the registration form in the online meeting materials that will be available to you in July on the College website: www.acaii.org.

We also invite you as a guest to the International Reception sponsored by the Alliance on Saturday, November 10 at 6-7:00 p.m., if you are able to stay for the duration of the meeting, to the special President's Dinner on Monday, November 12 beginning at 7:00 p.m.

We hope your schedule will permit you to attend Awards Ceremony and both the social events. Congratulations on this fantastic and well-deserved honor.

Sincerely,

Stanley M. Fineman

International Distinguished Fellow

Revaz Sepiashvili, MD, FAAAAI
Moscow, Russia

Prof. Sepiashvili is head of the Department of Allergy & Immunology of the University of Russia in Moscow, and director of the Institute Allergy, Asthma & Clinical Immunology in Tskhaltubo, Georgia.

He is president of the World Immunopathology Organization (since 2002), president of the CIS Society of Allergy and Immunology (since 1991), and president of Georgian Association of Allergy and Clinical Immunology (since 2010). He initiated the founding of national societies of allergy and immunology in many CIS countries including Armenia, Azerbaijan, Belarus, Georgia, Kazakhstan, Kyrgyzstan, Moldova, Russia, Tajikistan, Turkmenistan, Ukraine and Uzbekistan.

Prof. Sepiashvili was instrumental in introducing ACAAI, WAO, EAACI and other international professional societies to many CIS countries, and recruited a large number of All specialists to the membership of these societies. For more than 20 years he has been promoting the All specialty by organizing over 30 major educational programs within Russia, the CIS region, and many other countries. Last year, his congress in Moscow was supported by speakers from ACAAI, WAO and other prominent societies.

He and his research team have made notable research contributions on various aspects of allergy and asthma diagnosis, prevention and treatment, physiology and pathophysiology of the respiratory system, and epidemiology of asthma and allergy, particularly of difficult asthma.

He is editor-in-chief of *International Journal on Immunorehabilitation*, the *Russian Edition of Journal of WAO, Allergy and Immunology*, and *Journal of Asthma in Russian*.

Prof. Sepiashvili received several honors including Academician of the Georgian Academy of Science and Honorary Professor at multiple CIS Universities.
